West Gate Freeway gantry installations

As part of the West Gate Tunnel Project, overhead gantries are being installed along the West Gate Freeway. The gantries will form part of a state-of-the-art freeway management system for smooth and safe journeys once West Gate Tunnel opens.

From August 2023 through to mid-2024, there are due to be ongoing overnight closures of sections of the West Gate Freeway and the Princes Freeway in one or both directions to safely install the gantries.

Closing the freeway is needed to ensure the safety of everyone in the area while we're at work and enables our crews to deliver work in a condensed period of time when there's generally less traffic on the road.

West Gate Freeway closure in August

An upcoming installation of an overhead gantry on the West Gate Freeway will require two overnight closures between Millers and Williamstown roads:

- On Tuesday 8 August, the freeway's outbound carriageway is due to be closed overnight from 10:30pm to 5am.
- On Wednesday 9 August, the freeway's citybound carriageway is due to be closed overnight from 10pm to 5am.

Traffic impact details will be confirmed in the West Gate Tunnel Project's weekly traffic email alert and online at bigbuild.vic.gov.au/disruptions

When driving through these areas, please follow traffic signage and check traffic media reports.

Please note, dates and times for this work may be subject to approvals, permits, site conditions and weather.

Subscribe to weekly traffic updates

If you would like to sign up to receive weekly traffic alert emails, please email us on info@wgta.vic.gov.au or call **1800 105 105**. Alternatively, for the latest updates, dates of closures and detour route information, visit bigbuild.vic.gov.au/disruptions.

	Impact	Date
	<p>Night-time works</p> <ul style="list-style-type: none"> • Delivery of steel gantry • Gantry installation • Finishing works <p><i>The above work will be completed by excavators, cranes, delivery trucks and other smaller vehicles.</i></p> <p>Noise</p> <p>If works are expected to create noise in surrounding areas, the West Gate Tunnel Project team will be in contact with residents directly.</p> <p>Lighting</p> <p>Lights will be angled away from homes wherever possible.</p>	Ongoing from August 2023
	<p>Full freeway overnight closures:</p> <ul style="list-style-type: none"> • In both directions between Millers Road and Williamstown Road <p><i>Please refer to map below for detour routes. Delays will vary during the night.</i></p> <p><i>Please note that more freeway closures will be happening over the coming months. We'll continue to provide advance notice of works. You can also visit Big Build for the latest disruptions information.</i></p>	<p>Tuesday 8, August 2023 Outbound 10.30pm – 5am</p> <p>Wednesday 9, August 2023 Citybound 10pm – 5am</p>

Thank you

We appreciate our work can be disruptive and thank you for your understanding. Work may be subject to approvals and permits, and may be rescheduled in the event of unexpected impacts. For up-to-date information on the closures, please visit bigbuild.vic.gov.au/disruptions
