

Machinery on tracks at Ringwood East Station

Bedford Road, Ringwood and Dublin Road, Ringwood East - 2023

How to get around during major works

We're removing the dangerous and congested level crossings at Dublin Road, Ringwood East and Bedford Road, Ringwood, by lowering the rail line beneath the roads into open trenches. We're also building a brand-new Ringwood East Station by 2025. We're making the Lilydale Line boom gate free, and the Belgrave Line will have no boom gates between Ferntree Gully and the city by 2025.

We're heading into major construction in Ringwood, which will mean some changes to the way you travel in the coming months.

We encourage you to plan ahead by scanning the QR code overleaf for updated disruption information and familiarising yourself with the road detours.
