

# Works Notification

## Works happening in your area

Box Hill | November - December 2023

Works are continuing in Box Hill to deliver SRL East for Melbourne and Victoria.

We're relocating utilities and completing kerb and pavement works. This is required to make way for major construction for SRL East.

These works will be carried out from **Wednesday 1 November for approximately eight weeks.**

These works will be undertaken during both day-time and night-time working hours.

### Day-time working hours

7am - 6pm, Monday to Sunday

### Night-time working hours

6pm - 7am, Monday to Sunday

### WHITEHORSE ROAD LINEAR RESERVE

**Wednesday 1 November for approximately eight weeks**

- Permanent fencing and barrier installation
- Removal of trees
- Utility relocation works
- Demolition of remaining structures
- Ongoing excavations
- Installation of tram facilities
- Access changes to the new 109 tram terminus
- 24-hour works will be required within the work site at times.

### WHITEHORSE ROAD, BETWEEN STATION STREET AND NELSON ROAD

**Wednesday 1 November for approximately eight weeks**

- Kerb and pavement installation and reinstatement
- Utility relocation works
- Public lighting installation
- 24-hour works will be required at times
- Lane and intermittent overnight road closures on Whitehorse Road will be required.

**Monday 20 November for approximately five weeks**

- Relocation of underground power cables
- Westbound lane closures on Whitehorse Road
- Potential traffic light outage at the intersection of Whitehorse Road and Station Street (traffic control will be in place).

Please see over page for details of traffic changes.

### Noise impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

The project will support businesses and residents to ensure people can continue to live, work, study and shop in their local community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

### How we will manage our works

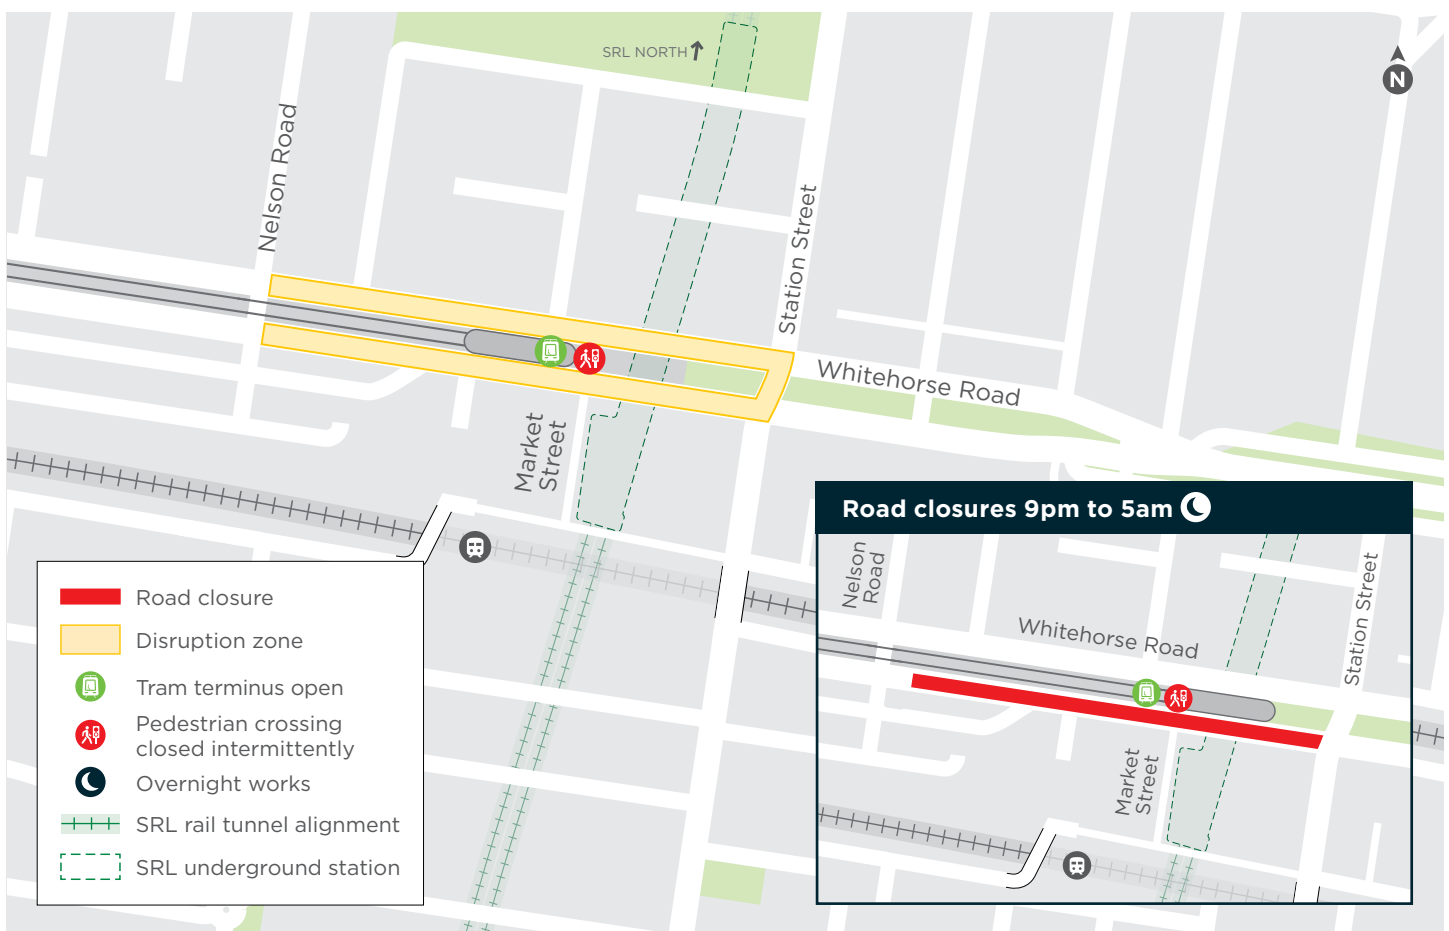

We will minimise impacts to the community by:

- Where possible, keeping Whitehorse Road open in both directions on Friday and Saturday nights
- Maintaining pedestrian access during business hours
- Using noise blankets on machinery and fencing where possible
- Turning off equipment when not in use
- Applying water during cutting and drilling if required.

## Traffic changes

Traffic changes are needed to complete these works. Vehicle and pedestrian access to homes and businesses will be maintained at all times with help from traffic controllers when required. Please see the table and map below for details of traffic changes in the area.

| Dates                       | Travel change   |
