

Works notice

Utility works

Flinders Lane, Melbourne

Tuesday 1 October to Friday 4 October 2024

Please be advised that works are required within Flinders Lane between Cocker Alley and Scott Alley to repair a water leak. These works were previously notified to take place from 24 to 27 September 2024.

When we'll be working

- We'll be working from **5pm on Tuesday 1 October** until **4.30am on Friday 4 October**, all hours inclusive.

The timing of work may change depending on weather.

What we'll be doing

- Repairing a leaking water pipe beneath Flinders Lane
- This will involve removing a small section of the pedestrian footpath to locate the leaking pipe, and reinstating the pavement after rectification works are complete.

What to be aware of

- These works will include the use of demolition saws and non-destructive digging
- These works will generate some periods of high-level noise and vibration during the night
- There may be some intermittent interruptions to water supply to the properties at 237 Flinders Lane during these works
- A partial footpath closure will be in place; please follow traffic management and signage to navigate safely around the works
- Access to residential buildings and businesses will be maintained at all times
- There will be a full road closure of Flinders Lane between Swanston and Elizabeth streets from 5pm Tuesday 1 October until 4.30am on Friday 4 October

- Access to properties on Flinders Lane between Russell Street and Regent Place will be maintained, and vehicles exiting this area will be required to travel east to Russell Street under traffic management, and detour using Flinders or Collins streets
- For access to properties on Flinders Lane between Swanston and Elizabeth streets, drivers will need to enter Flinders Lane via Elizabeth Street under a contraflow arrangement.

Where

- Flinders Lane, between Cocker Alley and Scott Alley.

We appreciate your patience while we undertake these works. If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**.
