

# Upcoming day and night works for North East Link

## Shaft construction and tunnelling works continue at Avon Street, Bulleen and the Bulleen Road/Greenaway Street car park, Bulleen

From **Thursday 10 June** until **late 2021**, we will continue to construct retrieval shafts at Avon Street and at the Bulleen Road/Greenaway Street car park. Following these works, we will construct a tunnel between the two shafts.

### What we're doing

Works include:

- Construction of receival shafts at Avon Street and at the Bulleen Road/Greenaway Street car park ready for retrieving a mini Tunnel Boring Machine (TBM) in mid-2021
- Removal of material from the middle of the shafts at both Avon Street and Bulleen Road, using a rock breaker if there are difficult ground conditions
- Construction of a tunnel that runs between Avon Street and the Bulleen Road/Greenaway Street car park
- Retrieval of the mini TBM at the Avon Street shaft
- Construction of maintenance holes
- Commissioning and reinstatement of work site.

### When we'll be working

Work hours will increase to 24 hour operations, **6am** Monday until **6pm** Saturday, from **Thursday 10 June 2021**.

### What to expect

During these works you may notice:

- Work crews in the area
- Light from the work site
- Noise from machinery and equipment, such as an excavator, bobcat, generator, vehicles, piling rig and rock breakers
- A crane to lift and place pipes to assist with the tunnel construction between Avon Street and Greenaway Street
- Dust from the work site
- A variable speed limit of 60km/h and 40 km/h will be in place on Bulleen Road during this period.

### Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and will implement the following mitigation measures where appropriate.

- Covering loads on trucks, when transporting excavated material
- Directional lighting to avoid light spill
- Dust suppression using water carts and binding agents
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible
- Pedestrian and cyclist detours will be in place around the work site
- Traffic management will be in place near the works to guide you safely through the area.

### Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)

Printed on 100% recycled paper.  
When you're finished, please recycle.

Our community engagement team will continue to be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions and signage during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

**We appreciate your patience and understanding throughout these works.**
