

Works Notification

Out of hours works

Sunshine to Watergardens stations

20 - 23 May 2022

Major construction is continuing along the Sunbury rail corridor as part of the Sunbury Line Upgrade. We wish to advise of upcoming out of hours works between Sunshine and Watergardens stations that will take place during a scheduled shutdown of the Sunbury Line.

What we are doing

- Installing overhead wiring between Albion and St Albans stations
- Installing signalling equipment along the rail corridor between Sunshine and Watergardens stations
- Preparatory works to enable upcoming train track upgrades near the new Albion substation
- Connecting cables to the train tracks near the new St Albans Road substation
- Works will involve the use of track drilling equipment, hand tools and other construction machinery.

When

- 8:30pm Friday, 20 May to 5am Monday, 23 May 2022
- These works will take place during a scheduled shutdown of the Sunbury Line.

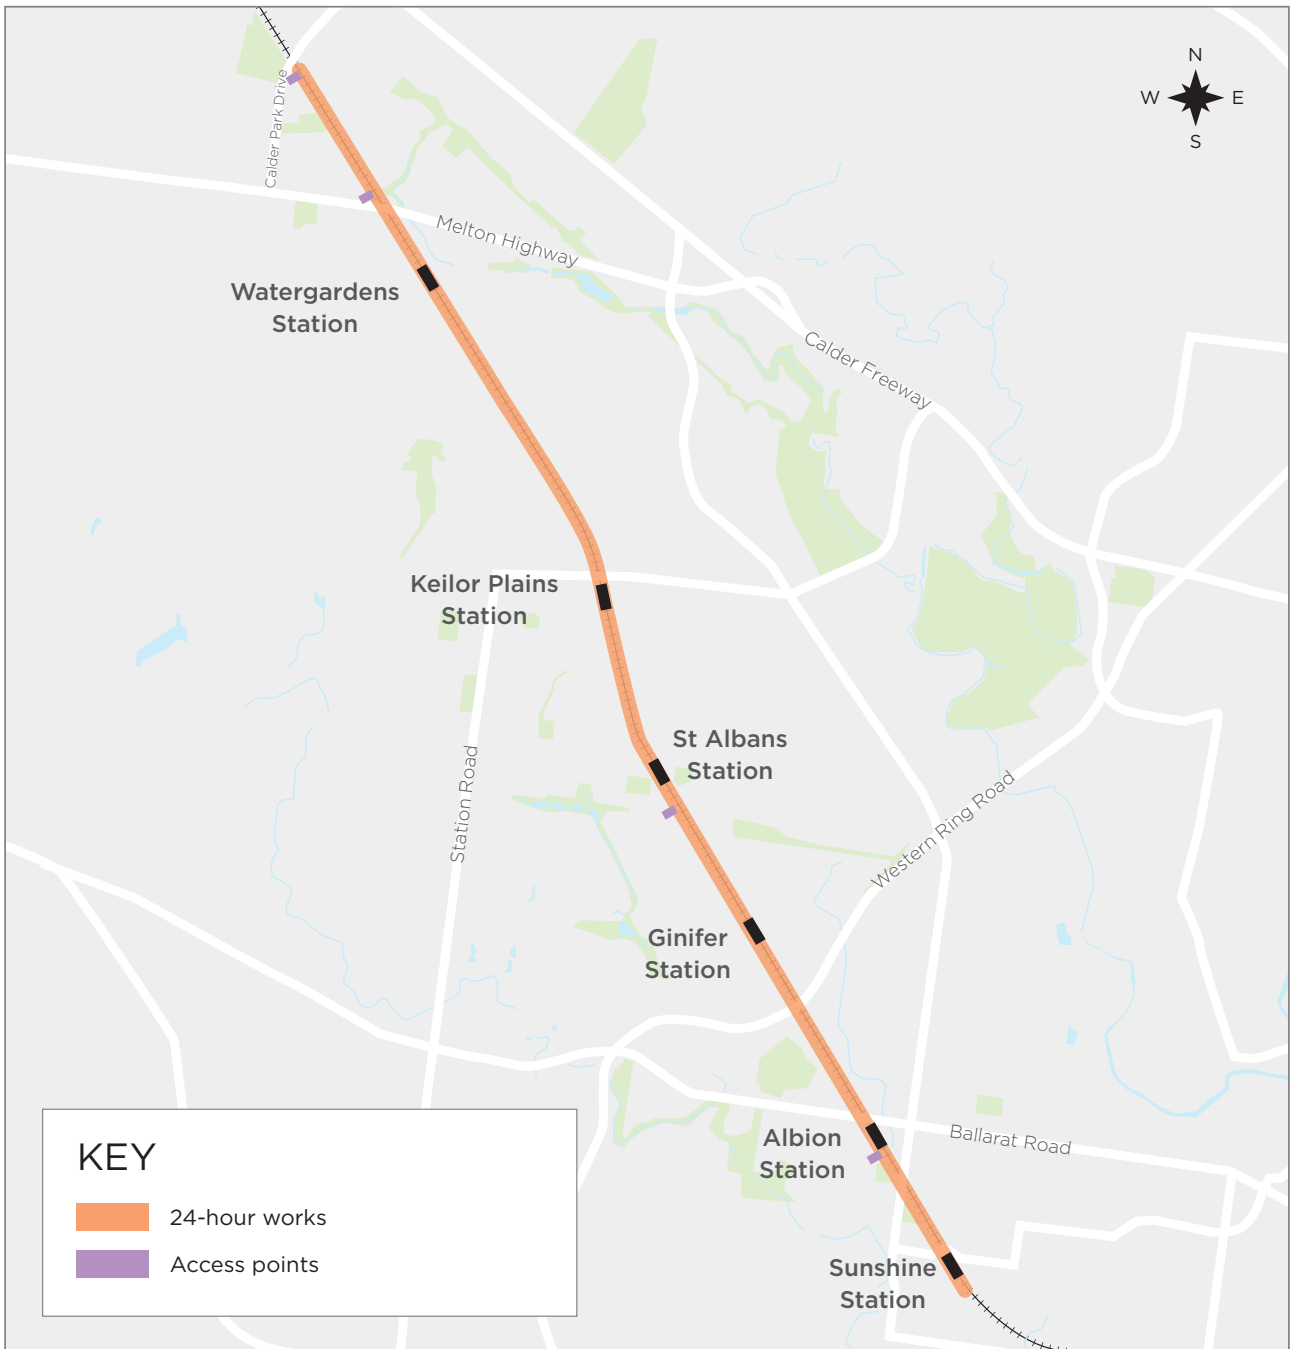

What to be aware of

- These works are expected to generate medium levels of noise and vibration
- There will be an increase in construction machinery accessing the rail corridor during these works
- For the safety of rail users and our workers, these activities can only be carried out when trains are not running
- Traffic controllers will be present at times to assist construction vehicle access, pedestrian, and cyclist movements
- Construction machinery will transport materials and access the rail corridor via
 - Talmage Street, Albion
 - Willaton Street, St Albans
 - Victoria Road, Sydenham
 - Calder Park Drive, Calder Park.

Travel changes

To ensure the out of hours works can take place safely, buses will replace trains from **8:30pm Friday 20 May to last service on Sunday 22 May.**
