

7 July 2023

Extension of Verification Works on Frederick Street

TUN2307.01

The West Gate Tunnel Project team has recently been set up on Frederick Street to undergo verification drilling and testing of the ground conditions due to rectification works on one of our cross passages.

We have encountered some delays which means we will need to extend the closure of Frederick Street between Stephen Street and Hyde Street between 7am–5pm from Saturday 8 July onwards (excluding Sunday 9 July). We expect this next phase of work could take up to a week or two to finish. There may also be further work on Frederick Street in coming weeks, which we will get in touch with you about closer to the time.

We apologise for the inconvenience this may cause local residents. Access to your property will be maintained with the assistance of traffic controllers.

What to expect and when

	Impact	Date
	Construction noise associated with works. <i>Verification works may, at times, be noisy. Respite options are available – please contact 1800 105 105 to discuss, and a member of the West Gate Tunnel Project team will reach out to you.</i>	From Saturday 8 July 2023
	Construction related vehicle movements in the street. <i>Including a drilling rig and construction vehicles entering and exiting the street.</i>	From Saturday 8 July 2023
	Frederick Street is due to be closed between Stephen Street and Hyde Street between 7am–5pm during these works. Residents will have access to the street with the assistance of traffic controllers. Driveway access will still be available. <i>The street will be reopened at night.</i>	From Saturday 8 July 2023
	Parking restrictions along Frederick Street. <i>Street parking is due to be restricted in some parts of the street.</i>	From Saturday 8 July 2023

Thank you

We appreciate our work can be disruptive and thank you for your understanding. Works may be rescheduled in the event of unexpected impacts.
