

# Clayton works update

## July - September 2026

Works are underway in Clayton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

### What we are doing

#### Day works

7am – 6pm Monday to Friday  
and 7am – 1pm Saturday

#### 24-hour works

7am Monday to midnight Saturday

The following works will be carried out between July and September 2026.

| Where                               | When                                                                                        | What we are doing                                                                                            | What to expect                                                                                                                                                                                                                                                     |

**Note:** Timing of works may change due to weather or ground conditions.

Additional short-term traffic changes will be in place around the Clayton area as we complete site investigation works in the area.

### Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

**Clayton shopping precinct remains open and accessible throughout these works.**

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

### How we will manage our works

- Maintaining access for emergency vehicles and buses at all times
- Maintaining access to homes and businesses
- Transporting materials from site in covered trucks to minimise dust
- Using water and dust suppressants
- Installing road safety and detour signage
- Pedestrian and cyclist detours in place.
