WORKS NOTIFICATION: Power outage

South Dynon and E Gate 6.6kV Power outage – Sunday 17 November

Works are being undertaken by the West Gate Tunnel Project to relocate the 6.6kV power lines along the Moonee Ponds Creek, which distribute power to all tenants in E Gate and South Dynon. The relocation works require a full day power outage and this is planned to take place on **Sunday 17 November**.

Areas that will be impacted during these works include: E Gate, South Dynon and north of Dynon Road.

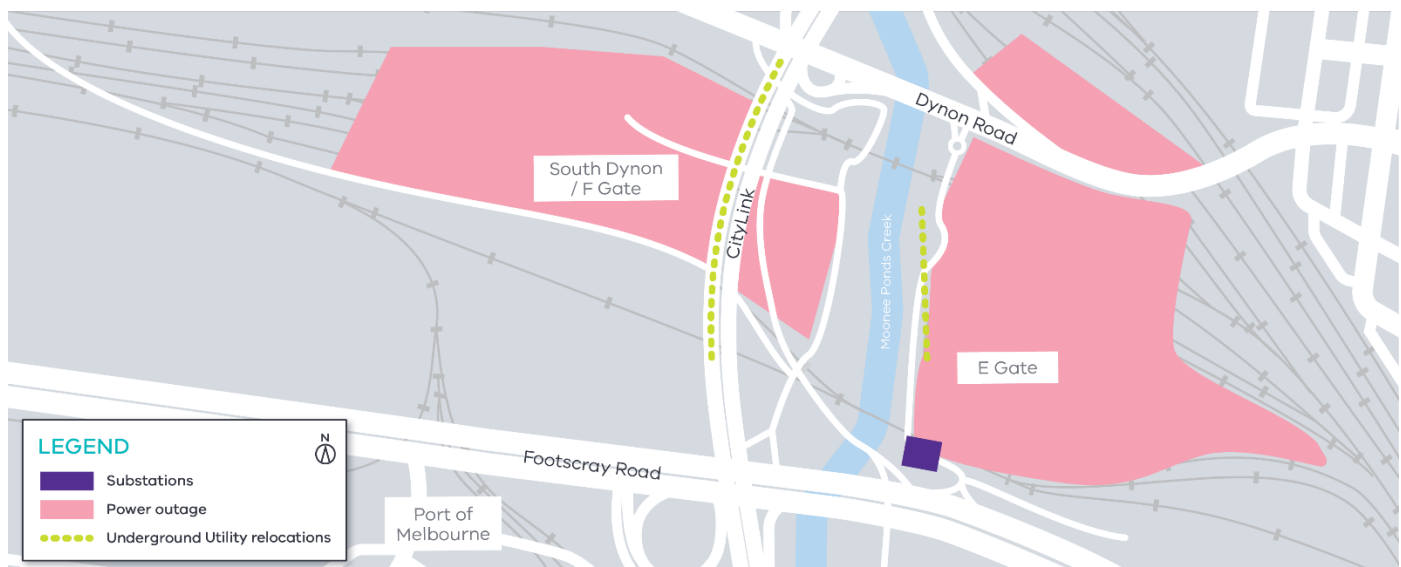

Rail operators impacted during these works include:

- Yarra Trams and MTM Depots,
- V/Line Maintenance, Bombardier,
- V/Line Fuel Point / Wash, Gemco Maintenance,
- VicTrack Operations,
- V/Line Comms Centre,
- V/Line Arrivals Centre and
- MTM Rollingstock Depot.

Please see map below for location details.

What to expect:

- Works will be completed during the day between 7am – 7pm
- A power outage will be in place for E Gate, South Dynon and north of Dynon Road
- Individual arrangements will be made with operators prior to the works commencing
- Traffic management will be in place to manage changed conditions
- We will notify you if there are any significant changes to the timing of our works
