

20/09/2021

Dear resident,

Craigieburn Road Upgrade: Clovelly Drive and Craigieburn Road Service Road access changes

We're upgrading Craigieburn Road to help you get home safer and sooner.

As part of the project, we'll add extra lanes between Hume Highway and Mickleham Road as well as upgrading intersections and building better walking, cycling and public transport connections.

Changes to way you access local streets and service roads

To improve safety and traffic flow along Craigieburn Road we'll need to restrict where cars can turn right across multiple lanes to access driveways and local side roads. This means drivers will need to make a U-turn at dedicated locations to access certain streets and properties.

Access changes to Craigieburn Road Service Road and Clovelly Drive

As part of the Upgrade, we'll permanently change access to the Craigieburn Road Service Road between Bridgewater Road and Clovelly Drive.

To access the Craigieburn Road Service Road, drivers will enter at Bridgewater Road and exit at Clovelly Drive. Drivers will not be permitted to turn right into Craigieburn Road Service Road from Clovelly Drive.

We'll also permanently change Clovelly Drive to left in and left out only.

To turn into Clovelly Drive from Mickleham Road, continue straight along Craigieburn Road and make a U-turn at the Bridgewater Road traffic lights. Turn left onto Craigieburn Road Service Road and continue to Clovelly Drive.

To head towards the Hume Highway from Clovelly Drive either:

- turn left onto Craigieburn Road and make a U-turn at the new traffic lights at Dorchester Street; or
- continue on Clovelly Drive towards Bridgewater Road, turn left on to Bridgewater Road and turn right at the traffic lights. Please see the map on the next page.

Timing

We'll implement temporary and permanent changes to access at different times during the project. Major construction is expected to start in September 2021, and we'll notify you before any changes are made.

Health and safety

Works on the Craigieburn Road Upgrade are progressing with strict COVIDSafe Plans in place. The health and safety of our workforce and community remains our top priority. For more information and advice about the coronavirus (COVID-19), please visit coronavirus.vic.gov.au

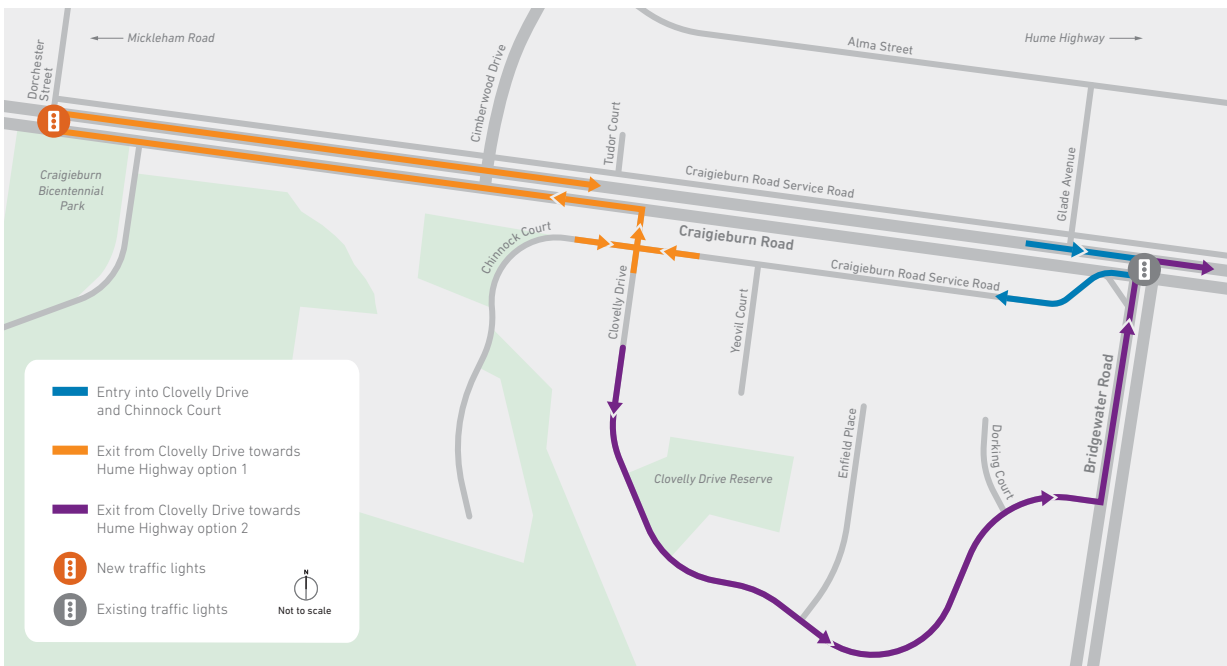

Contact us

To discuss these changes or for more information, contact us 24 hours a day, 7 days a week on **1800 105 105 (select option 5)** or email contact@roadprojects.vic.gov.au

We also encourage you to visit our website roadprojects.vic.gov.au/Craigieburn to subscribe to email and SMS updates.

Kind regards
