

Clayton works update

October–November 2026

Works are underway in Clayton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

What we are doing

Day works

7am – 6pm Monday to Friday
and 7am – 1pm Saturday

24-hour works

7am Monday to midnight Saturday

Night works

6pm – 7am Monday to Saturday

The following works will be carried out in October and November 2026.

Where	When	What we are doing	What to expect
SRL worksite, Clayton Road, Clayton	 Ongoing	— Excavating the station site	— 24 hour works from 7am Monday to midnight Saturdays — Increased truck and heavy vehicle movements, including oversize deliveries — Moderate levels of noise, light, dust and vibration — Intermittent overnight deliveries
Clayton Road, Clayton	 Ongoing  From mid-November for up to two nights	— Site maintenance — Signal modification works	— Lane closures between Colonel Street and Dunstan Street
Carinish Road, Clayton	 Ongoing  From mid-November for up to two nights	— Site maintenance — Signal modification works	— Intermittent lane and footpath closures — Overnight road closure between Clayton Road and Mary Street from mid-November for up to two nights — Access for buses maintained
Link Road, Clayton	 Ongoing	— Site maintenance	— Intermittent lane and footpath closures
Madeleine Road, Clayton	 Ongoing	— Site maintenance	— Intermittent lane and footpath closures

Note: Timing of works may change due to weather or ground conditions.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Clayton shopping precinct remains open and accessible throughout these works.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

- Maintaining access for emergency vehicles and buses at all times
- Maintaining access to homes and businesses
- Transporting materials from site in covered trucks to minimise dust
- Using water and dust suppressants
- Installing road safety and detour signage
- Pedestrian and cyclist detours in place.

Truck and heavy vehicle movements

There will be increased truck movements in the area as we continue to excavate the future station site, remove soil and deliver large equipment to the Clayton worksite. Soil removed from site will be safely transported to disposal locations in line with project and Environmental Protection Authority requirements.
