Day and night works

Site establishment works at the Bulleen Road/Greenaway Street car park, Bulleen

We're moving close to 100 above and underground services such as power, water, gas, sewerage and telecommunications to make way for North East Link.

From **Wednesday 12 May 2021** until **mid 2021** CPB Contractors will establish a work site at the Bulleen Road/Greenaway Street car park to support the construction of the Yarra East Main Sewer.

What we'll be doing

Realigning Bulleen Road

To make room for the construction of the sewer shaft, we are realigning Bulleen Road at the Greenaway Street intersection. These works will include:

- Repositioning the traffic lights
- Installation of concrete traffic barriers and traffic signage
- Kerb and drainage work
- Vegetation removal.

Road users will notice the following changed traffic conditions:

- Variable speed limit signs and speed restrictions in place: 40 kms/hr during off peak construction periods and 60 kms/hr at all other times
- Temporarily there will be no right turn into Greenaway Street from Bulleen Road
- Four lanes of traffic will be maintained
- Footpath closure on the western side of Bulleen Road from Greenaway Street to Golden Way
- A pedestrian detour will be in place on the eastern side of Bulleen Road.

Closure of the Greenaway Street car park

The car park located on the corner of Greenaway Street and Bulleen Road, Bulleen, will be closed from **Wednesday 12 May 2021** until works are completed in **late 2021**.

A replacement car park will be provided at 49 Greenaway Street, Bulleen. This will be open for use on **Monday 10 May 2021**.

Site establishment

- Lane closures and traffic management
- Surveying and scanning the ground to locate services with handheld electronic equipment
- Using high-pressure water and a vacuum to carefully expose underground services and verify their location
- Installation of temporary safety fencing, barriers and lighting
- Implementing environmental controls such as tree protection, silt traps and dust suppression measures
- Installation of temporary site facilities and toilets
- Construction of a retrieval shaft ready for tunnelling activities in **mid 2021**.

When are we working

7am to 6pm, Monday to Friday

7am to 1pm, Saturdays

Night works will occur from

6pm to 7am, Monday to Friday,

1pm to 10pm Saturdays

From **Wednesday 12 May** until **mid 2021**.

Lane closures will be in place along Bulleen Road at night from **Wednesday 12 May 2021** until mid-June in the northbound direction.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a vacuum truck, an excavator, roller, drilling rig and light vehicles
- Vibration while we compact the work area
- Traffic Controllers to help guide you safely through the area.

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Use of rumble grids on roads to reduce the transfer of dirt on local roads
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.
