

# Works notice

## Crane demobilisation under road closure

### Little La Trobe Street

From 8pm Wednesday 20 December until 7am Thursday 21 December 2023

As previously advised in the State Library Station December and January construction update, works to demobilise a 50-tonne crane are required under a road closure of Little La Trobe Street, between Elizabeth and Swanston streets.

#### When we'll be working

- Crane demobilisation under road and footpath closure from  
**8pm Wednesday 20 December until 7am Thursday 21 December** or until the work is complete.

#### What we'll be doing

- Closing Little La Trobe Street and a section of the southern footpath to facilitate the demobilisation of a 50-tonne crane from the Little La Trobe Street site
- Installing protective plates on Little La Trobe Street, tracking the crane, and loading onto a truck, using mobile cranes on the road to move and install concrete blocks.

#### What to be aware of

- During this closure, access to Little La Trobe Street and Literature Lane will be maintained via Elizabeth Street
- Local vehicle access to businesses and residential buildings will be maintained at all times under traffic control
- There will be no through access to Little La Trobe Street from Swanston Street for pedestrians, motorists, or cyclists during the road and footpath closure
- Pedestrian access to Scape will be maintained from Swanston Street only
- Please allow additional travel time during these works
- Some of these works will generate high levels of noise. Please contact the project team if you have any concerns.

#### Where

- Little La Trobe Street, between Elizabeth and Swanston streets

Thank you for your patience while we undertake these works.
