Construction Update

Charlie Fairbairn

Removing the pedestrian overpasses

Muir Street pedestrian overpass inbound section

Two cranes at the Rosala Avenue pedestrian overpass

Removing the pedestrian overpass – Muir St

Courtesy bus

Student and Mum arriving at Wembley Primary School

Jody – the bus driver

Updated Brooklyn bus route

Spotswood bus route

Millers Road Interchange

Reinforced soil structure wall completed on southern verge

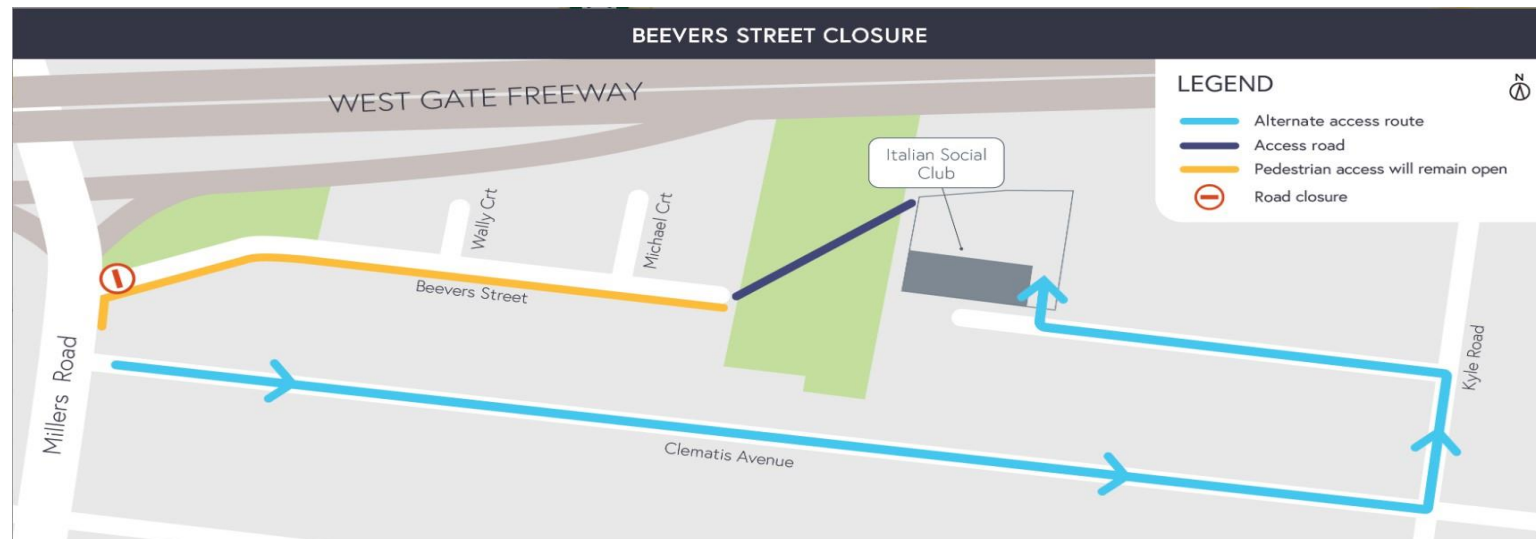

Scaffold supporting the bridge while the bearings are replaced

Beevers Street closure

The entrance to Beevers Street will be closed for four weeks through June and July, while we relocate a water main and rebuild a traffic island.

Residents will have full vehicle access through the Italian Social Club.
Pedestrian access will be maintained at all times via Millers Road.

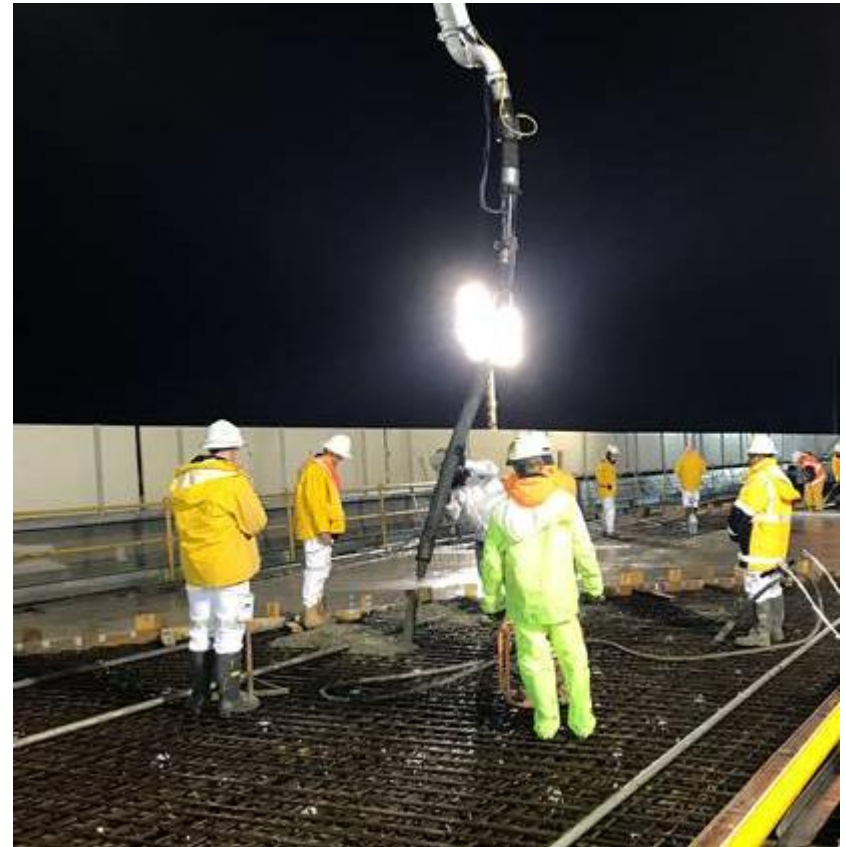

The outbound exit ramp at Millers Road will also be closed for two weeks during this time.

Newport Rail Bridge

New reinforcing steel bars laid between exposed bars after hydro-blasting, ready to be connected. Concrete is poured, then asphalt is laid over the top to create a widened road surface

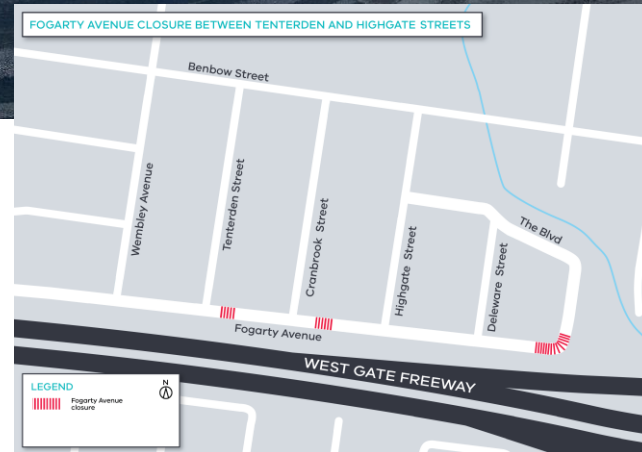

Concrete deck pour during night works on Saturday 23 May

Fogarty Avenue

Drainage works completed at the Fogarty Avenue and Wembley Avenue intersection

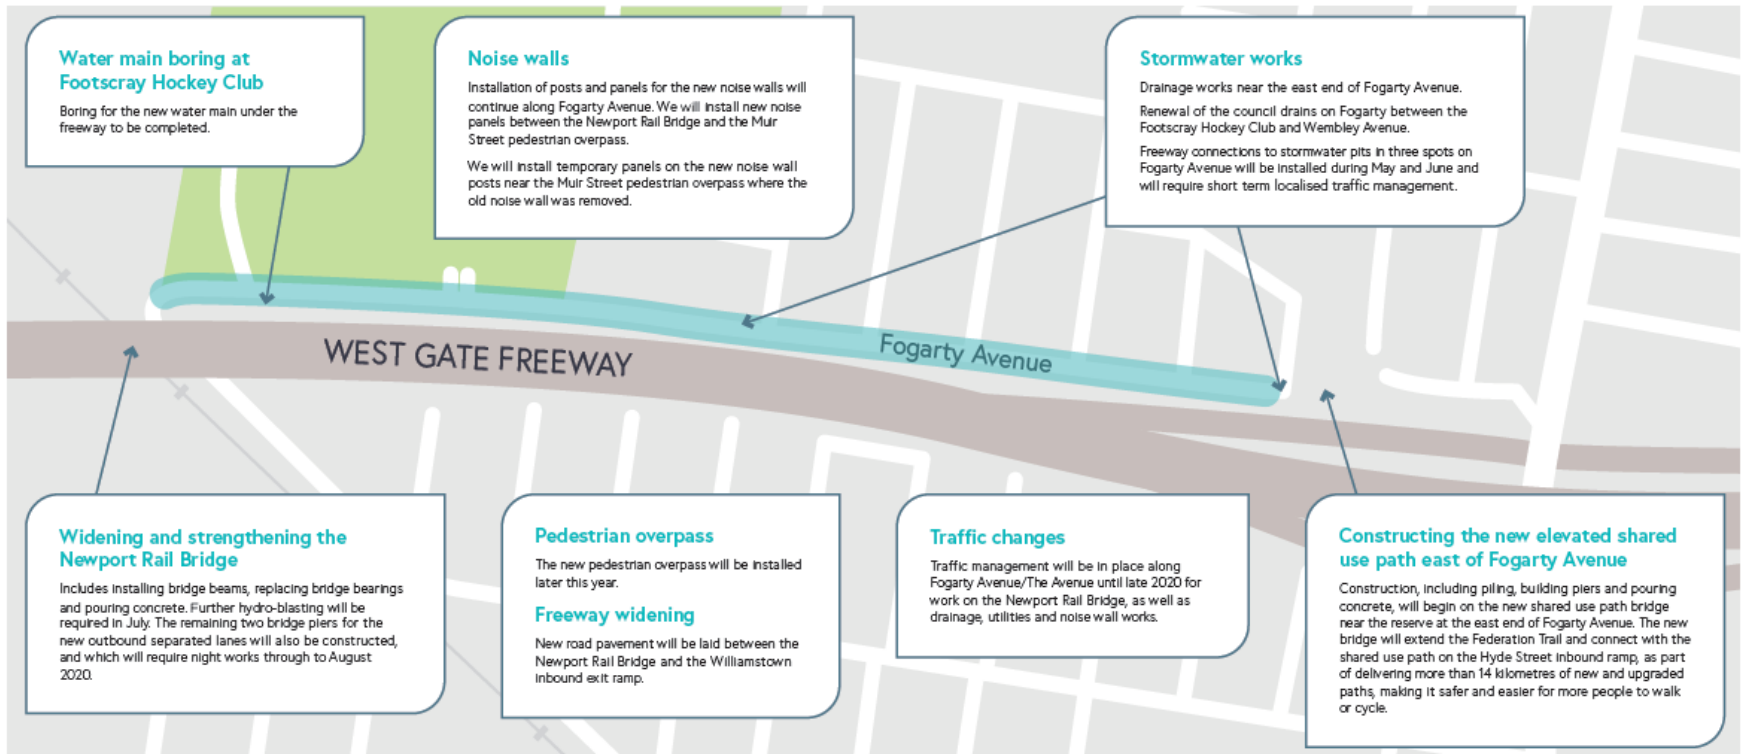

Closures on Fogarty Avenue near Highgate Street and Tenterden Street, to connect drainage pipes

Fogarty Avenue corflute

WORKS IN AND AROUND FOGARTY AVENUE OVER THE NEXT FEW MONTHS

June 2020

We acknowledge that our work can be disruptive, and we appreciate your ongoing patience and cooperation. We'll keep you up to date on timing through letterbox drops and on our website.
