

Upcoming day and night works for North East Link

Site investigations will be happening at Bulleen Driving Range.

What we'll be doing

From **Wednesday 16 June 2021**, CPB Contractors will be identifying underground utility services, undertaking geotechnical investigations and setting up a small temporary site compound in and around the Bulleen Driving Range which includes 27-33 Templestowe Road, 61-95 Templestowe Road and 35-59 Templestowe Road, Bulleen.

These works will take approximately five weeks to complete and will involve:

- Setting up temporary site amenities for the work crew
- Using handheld scanners and radars to locate services and hand augers to take soil samples.
- Non-destructive digging (NDD) to carefully expose underground services and verify their location. This involves using high pressure water and a vacuum to dig/pothole. This includes the use of a concrete saw to cut into pavement.
- Using a drill rig and support trucks to establish a bore hole
- Drilling a bore hole 20 to 25 metres deep and 15 centimetres in diameter
- Conducting arborist and ecology inspections
- Restoring areas after investigations have been completed.

Where and when we'll be working

Works will start from **Wednesday 16 June** and are expected to take approximately five weeks to complete. These works will occur during the day, however as part of the ecology inspection, some night activities will be required for overnight observation of nocturnal fauna in the area.

Day works:

7am to 6pm, Monday to Friday; and
7am to 1pm Saturday if required.

Night works:

6pm to 7am, Monday to Friday

What this means for you

During these works you may notice:

- Crews and trucks entering the area
- Noise from large equipment including excavators, concrete cutting saws, a drill rig, and a vacuum truck
- Temporary work site support amenities in place.

To stay safe, please follow all instructions.

We appreciate your patience and understanding throughout these works.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au
