

Sunbury Station precinct

Important information

Overnight intersection closures

Evans Street, Sunbury

8, 9 and 12 September 2022

Major construction is continuing on the Gap Road Level Crossing Removal Project. We wish to advise of upcoming road works at the intersection of Evans and Station streets.

What we are doing

- Working on the Evans Street entrance to the new road underpass
- Saw cutting through asphalt and concrete
- Installing new pavement and grading the road on the east side where it will begin to descend under the rail bridge
- Re-sheeting asphalt
- Line marking
- Works are expected to generate medium levels of noise and vibration, with intermittent periods of high-level noise.

- Traffic management will be in place to assist with local access.

When

Overnight full intersection closures

From 9pm to 6am

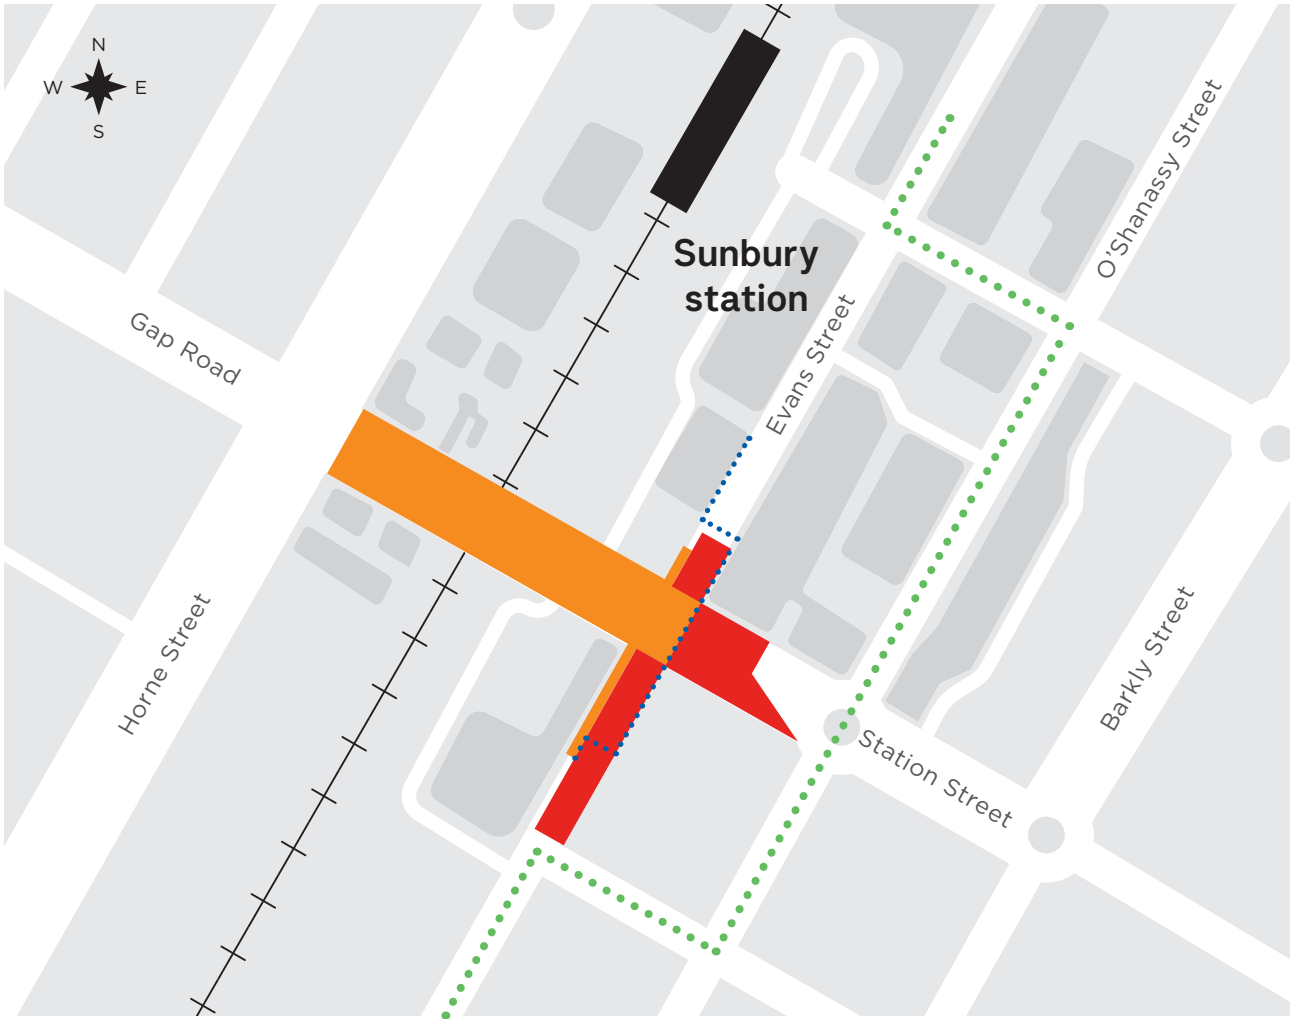

- Thursday 8 September
- Friday 9 September
- Monday 12 September.

What to be aware of

- Ongoing level crossing removal works require changes to traffic conditions and pedestrian movements in the local area. Signage and wayfinding are installed around work sites to safely direct vehicles and pedestrians through the area
- During these activities, there will be different traffic arrangements in place to ensure works are conducted safely and efficiently, with as little disruption as possible
- Please follow signage and direction from traffic controllers as you move through the area
- The Evans & Station Street intersection will be closed to vehicles and cyclists and a detour will be in place
- The pathway on the western side of Evans Street will be closed, pedestrian access across Station Street will be maintained
