9 April 2021

## Weekend works

### Ford Park works update

Works are continuing for the construction of the new Ford Park Oval pavilion and sporting facilities until August this year. From mid-April crews will also be working extended hours on the weekends to complete the internal fit out of the new building.

#### What we'll be doing

These works include:

- Continued building works for the new pavilion including electrics, wall plastering and services installation
- Oval fencing and retaining walls
- Landscaping and pavements.

#### Where and when we'll be working

We will continue to work in the following areas:

- New pavilion building structure and on open space in Ford Park, Bellfield

**These are day works and will continue until August 2021 from 7am to 6pm, Monday to Friday; and 7am to 5pm, Saturdays.**

- Within the new pavilion building structure only (low impact activities)

**From 18 April 2021 to the end of June 2021, 7am to 5pm Sundays.**

#### What you may experience

- Work crews and an increase in construction vehicles in the area
- Noise from plant and equipment such as tippers, excavators, concrete trucks and generators (during normal construction hours, not Sundays)
- Dust which the crews will control through regular watering and covering loads
- If pedestrian detours need to be implemented, traffic controllers will be in place near the works to guide you safely through the area.

Our community engagement team will be available to assist residents during the works. Safety is our priority and we ask your assistance with obeying instructions and signage.

To stay safe, please obey all instructions and signs.

**We appreciate your patience and understanding throughout these works.**
