

20/09/2021

Dear resident,

## Craigieburn Road Upgrade: Hardy Avenue access changes

We're upgrading Craigieburn Road to help you get home safer and sooner.

As part of the project, we'll add extra lanes between Hume Highway and Mickleham Road as well as upgrading intersections and building better walking, cycling and public transport connections.

### **Changes to way you access local streets and service roads**

To improve safety and traffic flow along Craigieburn Road we'll need to restrict where cars can turn right across multiple lanes to access driveways and local side roads. This means drivers will need to make a U-turn at dedicated locations to access certain streets and properties.

### **Access changes to Hardy Avenue**

As part of the Upgrade, we'll permanently change Hardy Avenue to left in and left out only.

To access the Hume Highway from Hardy Avenue:

- head north up Healey Street turn left onto Craigieburn Road, do a U-turn at the Hanson Road traffic lights; or
- turn left onto Carlisle Street, turn left onto Hothlyn Drive towards Walter Street, and turn right at the new traffic lights at Craigieburn Road.

To access Hardy Avenue from Mickleham Road:

- U-turn at the new traffic lights at Craigieburn Road and Walters Street intersection, turn left into Healey Street; or
- turn right into Walters Street, continue towards Hothlyn Drive, turn right into Carlisle Street, and turn right into Hardy Avenue. Please see the map on the next page.

### **Timing**

We'll implement temporary and permanent changes to access at different times during the project.

Major construction is expected to start in September 2021, and we'll notify you before any changes are made.

## Health and safety

Works on the Craigieburn Road Upgrade are progressing with strict COVIDSafe Plans in place. The health and safety of our workforce and community remains our top priority. For more information and advice about the coronavirus (COVID-19), please visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)

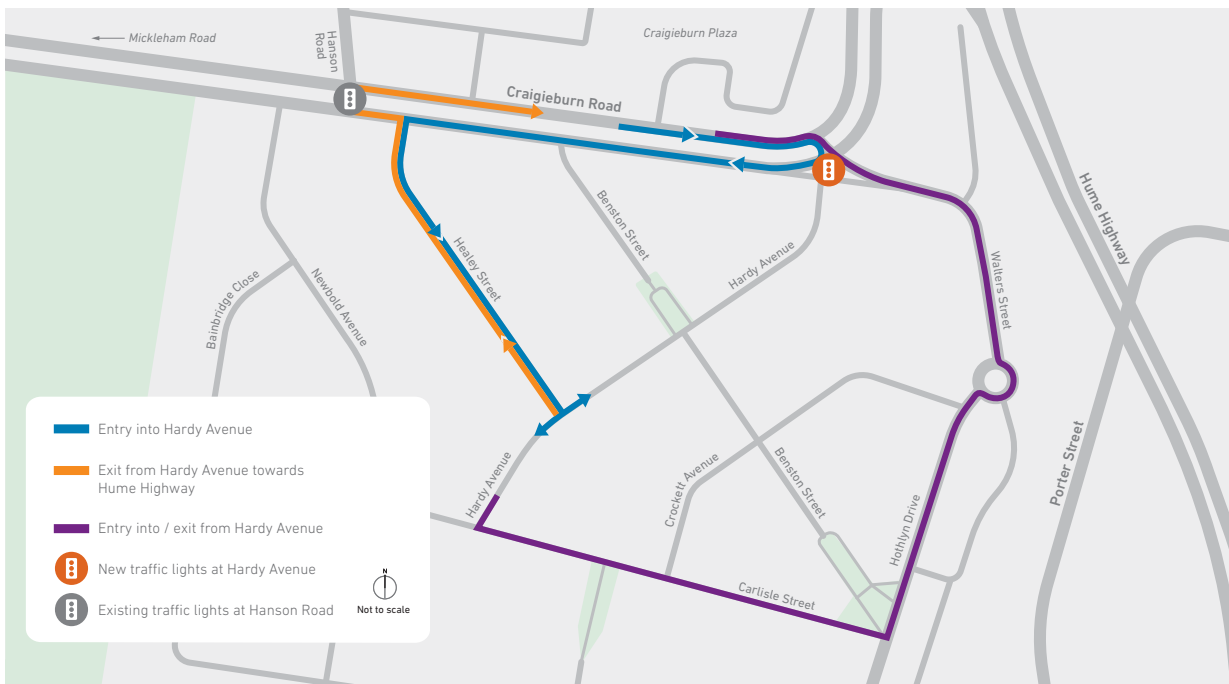

## Contact us

To discuss these changes or for more information, contact us 24 hours a day, 7 days a week on **1800 105 105 (select option 5)** or email [contact@roadprojects.vic.gov.au](mailto:contact@roadprojects.vic.gov.au)

We also encourage you to visit our website [roadprojects.vic.gov.au/Craigieburn](https://roadprojects.vic.gov.au/Craigieburn) to subscribe to email and SMS updates.

## Kind regards
