

Works notice

High capacity train testing and signalling works

Tottenham to Albion stations

Friday 9 February to Monday 12 February 2024

To prepare the Sunbury Line for future services via the Metro Tunnel, 24-hour rail works will take place between Tottenham and Albion stations.

When we'll be working

We'll be working from
**8pm Friday 9 February to
3am Monday 12 February.**

Bus replacements

Buses will replace trains on the Sunbury Line from **10pm Friday 9 February to last service Sunday 11 February.**

Please allow extra travel time.

Visit ptv.vic.gov.au or call **1800 800 007** for more information and to plan your journey.

What we'll be doing

- High capacity train testing between Tottenham and Albion stations
- Signalling software upgrades.

What to be aware of

- These works are expected to generate low levels of noise
- To ensure the systems integrity of the new high capacity trains as well as the safety of passengers, some activities can only be performed while train services are not running. Bus replacements will operate during some of these works.

Stay up to date

With our state's population projected to reach 10 million by 2051, Victoria's Big Build is delivering the rail and road projects that will keep Victorians moving in the decades to come.

As a result, there will also be other works occurring across our public transport and road networks.

Before you travel, check out Victoria's Big Build disruptions map at **bigbuild.vic.gov.au/disruptions** to see works in your area.
